

DFW Fiber Fest 2024 brings us a split day 6 hour class from the lovely Denise Bell. Part 1 and Part 2 are on Saturday Morning and Sunday Morning respectively.

While they can be selected individually, you are required to register for both. To facilitate that, we have created a Session Bundle that shows up at the top of the registration agenda list.

# Session Bundles

Session Bundles are groups of sessions that you can purchase as a bundle.

If you do not have the session bundle selected, you will see that they can be selected individually as you scroll through the agenda.

We prefer you use the session bundle to grab both classes. If you are only registered for 1 you will be dropped from that class and refunded the fee. You will have to email [classes@dfwfiberfest.org](mailto:classes@dfwfiberfest.org) to register for the bundle if that occurs.
