Special techniques

Double Cast On; the Thumb method = Watch my DRAGON SHAWL CAST ON: THE THUMB METHOD TUTORIAL on YouTube.

Place Bead = for this design you bead is place in-between two stitches on the same row, on RS. Just simply slide a bead as close as possible to a stitch just made, then work next stitch as directed in pattern, also as close as possible to a bead. Bead will "nest" in-between two stitches. *Video tutorial for the techniques above is available on Alexandra Davidoff Studio Youtube channel: <https://youtu.be/xk0YFf3AbGs>*

Instructions

Thread 120 beads to your yarn prior to work. With larger needle and using regular Long Tail Cast On, CO 18 sts, do not join; work back and forth in rows. Begin **Dragon Scales Pattern** and chart.

Notes

- I do suggest to use a row counter to keep your work on the right track.
- Increasing and decreasing is done on both RS and WS.
- Stitches should be firm, not loose. Adjust needle size if needed.
- Purl side is RS. Beads are placed on RS in-between two stitches (see pictures).
- Rows on which beads are placed hightailed in **red**.
- I am using Vogue Knitting The Ultimate Knitting Book as a reference (see below).

Special techniques

Blocking = I recommend steam blocking (p.187). Steam the finished piece on RS and WS and gently shape each Dragon Scale and pin each one to the blocking mat. Fold "teeth" on both slanted sides to WS. Watch my tutorial on Alexandra Davidoff Studio YouTube channel: <https://youtu.be/RbLfkgspzA>

Tassel = I recommend Tassel with shank (p.332). Step 1: wrap yarn around a piece of cardboard that is 3"(8cm) in length. Thread a double strand of yarn under the wraps and tie it at the top, leaving a long end. Step 2: cut yarn at lower edge. Wrap the long end of yarn around upper edge and thread the yarn through the top. Leave 6"(15cm) tale at the top and thread 5 -6 beads through it. Embellish tassel with beads over upper edge.

Row 88: knit all sts to end.

Without turning work, CO 9 sts. Now you have 216 sts. Turn work.

Without turning work, CO 9 sts. Now you have 225 sts. Turn work.

Row 96: knit all sts to end.

Without turning work, CO 9 sts. Now you have 234 sts. Turn work.

Row 97 - 103: rep rows 17 - 23.

Without turning work, CO 9 sts. Now you have 243 sts. Turn work.

Row 112: knit all sts to end.

Without turning work, CO 9 sts. Now you have 270 sts. Turn work.

Row 113 - 119: rep rows 17 - 23.

Turn work.

Row 120: knit all sts to end.

Change to smaller circular needle, continue working back and forth in rows. From this point you will start creating **Moss Stitch Edge** on both sides and at the top (indicated in blue color for easy pattern reading) together with the last set of 15 Dragon scales. The number of 270 stitches will stay consistent until the end (no more additional COs of 9 sts on the sides). Keep stitch markers in place until further instructions. Row on which beads are placed hightailed in **red**.

Row 121: * **k1**, yo, p6, p2tog, **PB**, p2tog, p6, yo, **p1**; rep from * to end.

Row 122: * **p1**, **k1**, yo, k5, k2tog, ssk, k5, yo, **p1**, **k1**; rep from * to end.

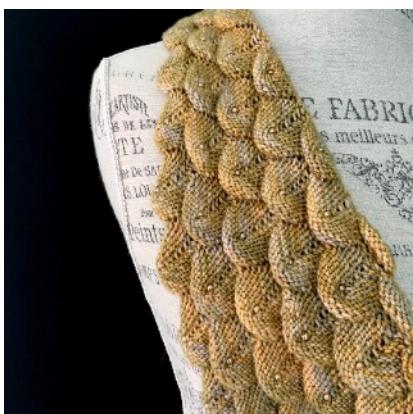

Row 123: * **k1**, **p1**, **k1**, yo, p4, [p2tog] twice, p4, yo, **p1**, **k1**, **p1**; rep from * to end.

Row 124: * [**p1**, **k1**] twice, yo, k3, k2tog, ssk, k3, yo, [**p1**, **k1**] twice; rep from * to end.

Row 127: * [**k1**, **p1**] 3 times, **k1**, yo, [p2tog] twice, yo, [**p1**, **k1**] 3 times, **p1**; rep from * to end.

Remove stitch markers during next row.

Row 128: * **p1, k1**; rep from * to end.

Row 129: * **k1, p1**; rep from * to end.

Row 130: rep row 128.

Row 131: rep row 129.

Row 132: rep row 128

Row 133: rep row 129.

Finishing: BO all stitches in established pattern. Weave in ends. Block piece by gently shaping each Dragon scale into 3D shape and pinning it to blocking mat (see [Special Techniques](#) and picture tutorial).

After completing blocking, hand-stitch sew-on magnetic snaps on each end of your scarf necklace over Moss Stitch Edge so that those ends overlap. Take finished tassel (optional) and sew it on to the top overlapping edge of your scarf necklace just below the magnetic snap. (see picture tutorial). Enjoy!
